Subject: 2015 End of Year Claim Processing Schedule

Dear Child Nutrition Program Authorized Representatives:

This message is to notify agencies participating in the USDA Child Nutrition Programs of the 2015 end-of-year claim processing schedule. Each year in December the processing of claims is shut down in order for the State to perform year-end closeout. Please be aware of the following information when filing claims for any federal or state child nutrition program.

The last voucher “Process Package” run for the year will be December 15, 2015, with the corresponding payment scheduled for Monday, December 28, 2015. There will be no claim vouchers processed between December 16, 2015 and January 5, 2016, 2015.

All claims entered online after Monday, December 15, 2015 and before Tuesday, January 5, 2016 will be processed for payment on Tuesday, January 5, 2016, with a payment by electronic funds transfer (EFT) date of Tuesday, January 19, 2016. The system will then resume its regular processing and payment schedule.

The ability to enter claims via the Department of Public Instruction Online Services website will not be affected (i.e. claims can be entered online throughout the processing shutdown).

Listed below is the schedule for the reimbursement claim payments during the end of the year:
